

Registration in the MAGNET company

Version 1.0

1 GO TO THE WEBSITE

1. Follow your inviter's referral link to the MAGNET website.
2. On the main page, click the «Connect Wallet» button.

In the mobile version, first tap the menu button, then select «Connect Wallet».

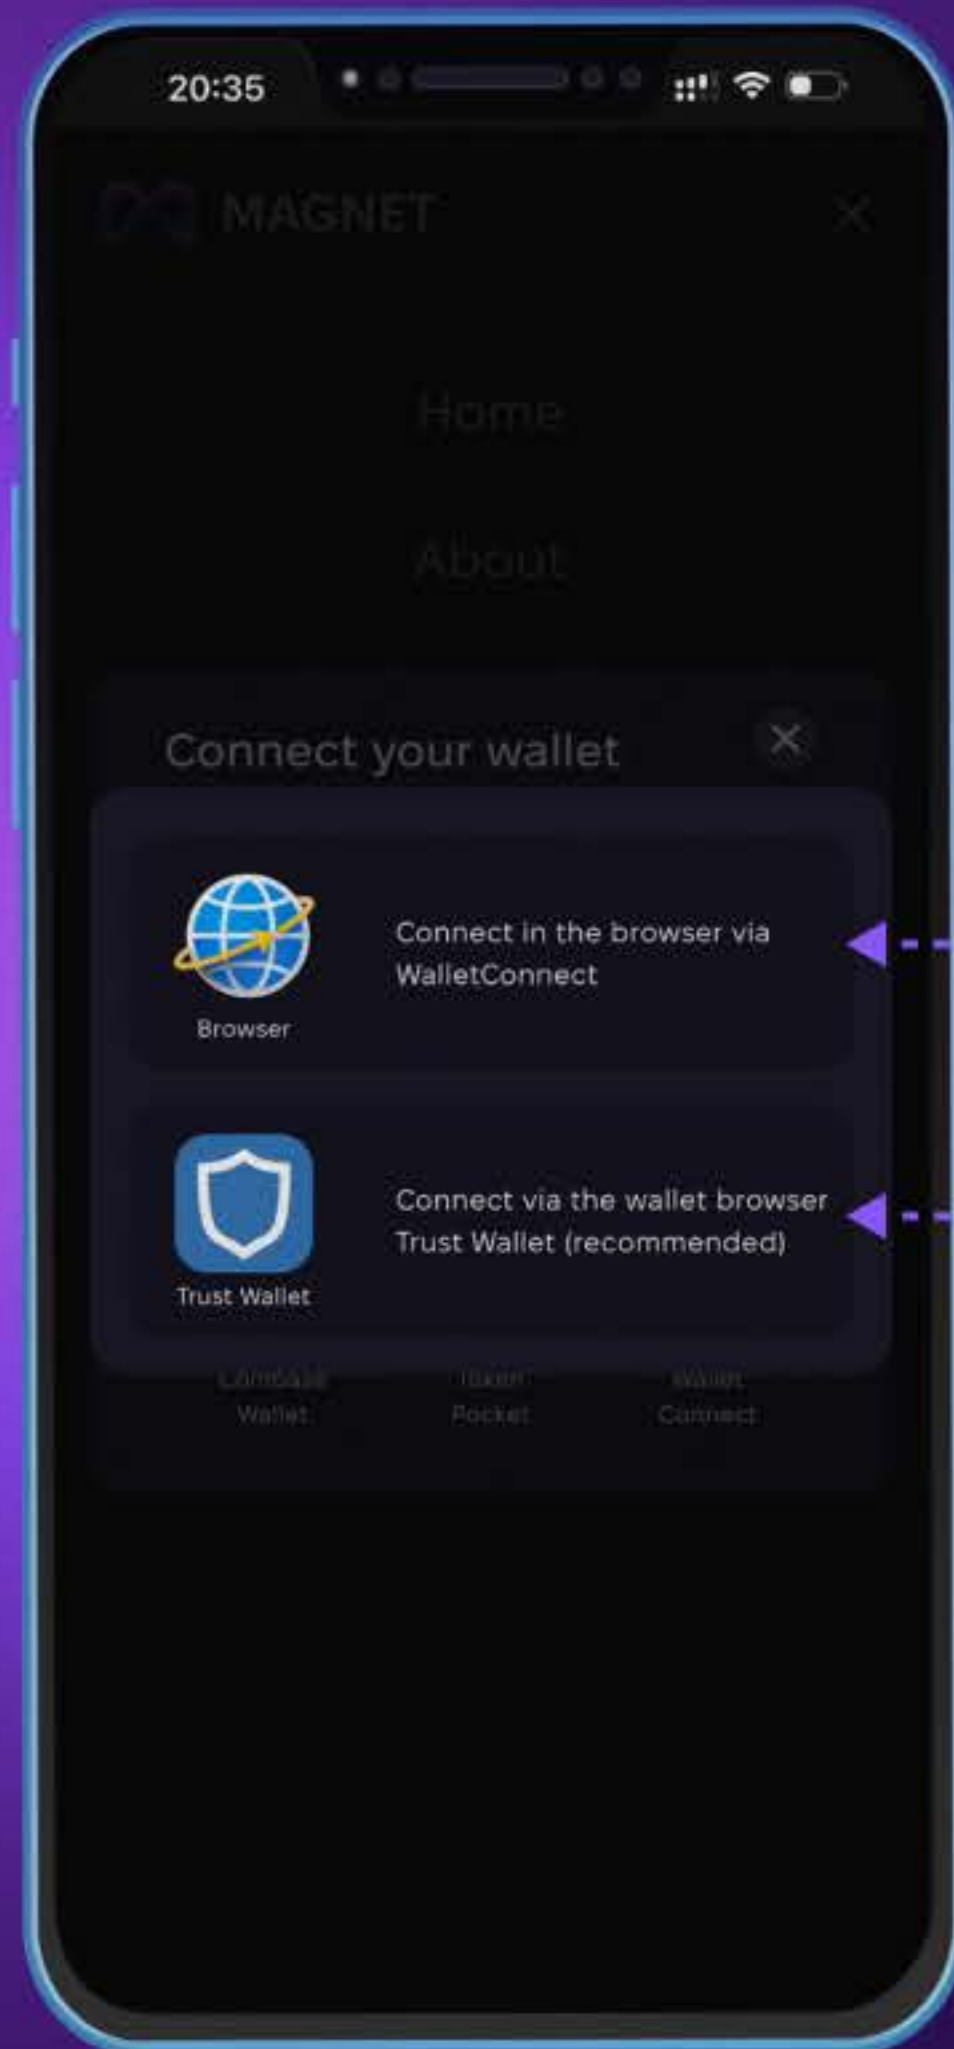

2 WALLET SELECTION

3. Confirm that you agree to the Terms of Use.
4. Confirm your agreement with the terms of use.
5. Select a wallet from the list of available options (MetaMask, Trust Wallet, etc.).

3

CHOOSE A WALLET CONNECTION METHOD ON YOUR MOBILE DEVICE

- WalletConnect
(direct connection from your browser)

- DApp Browser (connection via the wallet's built-in browser)

* When connecting via the DApp Browser, make sure your device is set to the default font size so the website information is displayed correctly.

4 WALLET AUTHORIZATION

6. After selecting your wallet, sign the authorization message:

- In the window that appears, click the «SIGN IN» button.
- No fee is charged for signing.

5 INVITER VERIFICATION

7. Make sure the inviter is displayed correctly (you will see your inviter's name if it was provided, or their ID).
8. If the inviter is shown incorrectly:
 - Click the «CHANGE» button.

6 CHANGING THE INVITER

9. Paste the correct referral link of your inviter.

10. Click the «CHANGE» button.

* The inviter can be changed only once during registration.

7 REGISTRATION CONFIRMATION

11. After verifying the details, click the «ACTIVATE» button.

8

REGISTRATION CONFIRMATION

12. Your registration is successfully completed.

13. You will be automatically redirected to your MAGNET personal dashboard, where the following are available:

- Profile information
- Status NFT activation
- Access to products
